Brief

Vocalized is a programme of singing, musical theatre, and band development workshops for 11 – 19-year-olds run by Youth Action Alliance (YAA) in partnership with the National Youth Arts Trust (NYAT). We aim to provide a safe space for young people to explore and develop their musical talent as well as improving self-confidence and well-being.

The two singing workshops are held for one to two hours once a week on Thursdays in two schools in North Kensington - running for 9 weeks during school term time in autumn 2023.

About

Based in the 'Hut' off Ladbroke Grove, YAA delivers street-based targeted group work and projects for young people. Our work is aimed at combating social and economic exclusion and marginalisation to create a more cohesive society. Recent projects have included the Grenfell Girl's Group, Traveller's Girls and Boys, and football coaching at the Westway. We work with other providers to provide a young mum's group, a drug cessation project, and a disability project.

The National Youth Arts Trust (NYAT) is a performing arts charity that widens access to the Arts for young people from disadvantaged backgrounds – through giving bursaries for music, dance, and drama lessons, running youth theatre projects, and taking children to the theatre, often for the first time. We exist to do something about inequality in the performing arts industry and to ensure a career in the Arts is accessible to all.

Vocalized aims to:

- Provide a much-needed creative activity in the area.
- Create a non-academic and collaborative environment for young people to explore their creative potential in theatre and music.
- Raise aspirations, confidence, self-awareness, and wellbeing.

All levels of ability and confidence are welcome, and each participant will have their own personal development plan to help them achieve their goals.

The role

We are seeking an inspiring, dynamic, and enthusiastic individual, who is confident in engaging with teenagers and has experience leading high quality singing workshops. The ideal candidates are excellent communicators and motivators, with a passion for music making and working with young people.

The successful candidate will work in collaboration with a support worker, alongside YAA, NYAT and our artistic associates, to prepare and devise the content of the workshops and run the sessions each week.

Workshops are one and a half hours long and should cover a range of skills as an introduction to singing, including singing in harmony, vocal warm-ups, breath control, diction, voice registers, scales, and tuning, plus confidence building and teamwork; aiming to achieve artistic excellence, give a platform for new local voices, unearth, and assist emerging talent, and create memorable experiences.

Vocalized will have approx. between 15-30 members aged between 11 and 19 who attend local schools in North Kensington.

You will be accompanied by a support worker/project coordinator to help run the sessions and support the students in their learning.

The singing group will run alongside musical theatre workshops and band development workshops, as a programme of work for students to join one, two or all three sessions.

The contract period is term time from **October to December 2023**, excluding the school holidays. You will also be expected to support the one-day showcase on 9th December.

Remuneration is £35 per hour for four hours per week which includes preparation time.
